We hope you will join us for the first time, or the sixth, as we continue to bring together professionals from around the globe who want to create domestic violence-informed systems. Our program will include new presenters and workshops that build on the following themes:

- Real Strength: Adult Survivors’ Protective Capacities as Parents
- Voices of Children: Adult Child Survivors and Their Experiences
- Working with Men as Parents: Practicing as if Men’s Choices Matter to Child and Family Functioning
- Moving Texas Forward: Advancing Domestic Violence-Informed Practice Across the Lone Star State
- As well as, data and policy changes seen in communities incorporating the Safe & Together Model

**When?**
Pre-Conference: October 3, 2018  
Conference: October 4-5, 2018  
PLUS: Safe and Together CORE training: October 1-3, 2018

**Where?**
Sheraton Gunter Hotel  
www.sheratongunter.com  
205 East Houston Street, San Antonio, Texas  
(210) 227-3241

**What’s Important?**
- LOWEST hotel room rate at $149
- Government Per Diem hotel room rates available
- CORE Safe & Together training offered again
- Conference ends on a holiday weekend (in case you need a little extra time to visit San Antonio)
- Get 5 from your community to attend and the 6th registration is FREE
- Free Members receive 5% off any registration fee

**Who should attend?**
The Safe & Together Conference is designed for both professionals experienced with the model as well as those attending Safe & Together Model training for the first time. Most attendees include child welfare frontline workers, supervisors, managers/administrators; child welfare attorneys; domestic violence advocates, counselors, administrators; policy makers; researchers; judges; Guardians ad Litem, CASAs; home visitors; mental health and substance abuse professionals; fatherhood program staff; and/or batterer intervention providers. Participants should be interested in enhancing safety for children, developing responsible fatherhood practices, supporting survivors of domestic violence and intervening with perpetrators of domestic violence.
Safe & Together CORE Training
October 1-3 / 8am – 5pm / Breakfast & Lunch provided

The CORE Training has been delivered to child welfare, domestic violence advocates, batterer intervention professionals, police and family service providers nationally and internationally for more than five years as a foundation to supporting Domestic Violence-Informed practices and systems change.

Join the second open-enrollment CORE Training in San Antonio BEFORE the Safe & Together Conference! Held Monday-Wednesday from 8:00am – 5:00pm at the Sheraton Gunter Hotel, the CORE Training will include:
• Skills-based goals: assessment, interviewing, documentation and case planning
• More experiential learning using practice tools and exercises
• Videos demonstrating interviewing
• Greater emphasis on complex, multi-issue cases
• Greater emphasis on intersectionality
• Certificate of 22 training hours

Pre-Conference Workshops
October 3 / 9am – 4pm / Breakfast & Lunch
(Choose to attend a full day skills-based training)

• The Safe & Together Model:
  An introduction
• Enhanced Supervision:
  Guiding workers through domestic violence-informed practice
• Intersections:
  Assessing risk among complicating factors (substance abuse, mental health, etc.)

SAFE & TOGETHER
6TH ANNUAL CONFERENCE
Domestic Violence and Children
October 3-5, 2018

Safe & Together Conference
October 4-5 / 9am – 4pm / Breakfast & Lunch provided

Workshops and plenaries will cover:
• Intersections of complicating factors (substance abuse, mental health, etc.) with domestic violence
• Perpetrator pattern-based intervention strategies
• Research on the importance of partnering with adult survivors around the safety and wellbeing of children
• Discussions on male parental development and its importance to working with men as parents
• Documenting and assessing the impact of domestic violence on children
• Texas specific workshops for child protection, domestic violence advocates, batterer intervention and prevention program staff and others

MORE WORKSHOPS BEING ADDED IN COMING WEEKS!
